

# ARROW DRIPPER

Meets all the needs of individual "drinker for each plant" irrigation

- Turbulent flow through wide water passages for highest reliability and efficiency
- Great flexibility by using 3\*5 mm microtube to the exact location required
- Accessory to all on-line drippers for better and more accurate irrigation
- Adaptable to all on-line drippers via barb, manifold or adapter

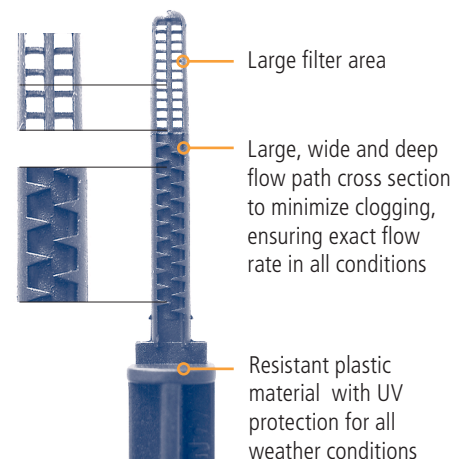

## ARROW DRIPPERS TECHNICAL DATA

| Model | maximum working pressure (bar) | nominal flow** rate (l/h) | water passage dimensions width-depth-length (mm) | K     | X    |
|-------|--------------------------------|---------------------------|--------------------------------------------------|-------|------|
| 1.6   | 2.0                            | 1.6                       | 0.83 x 0.60 x 20                                 | 0.551 | 0.48 |
| 2.3   | 2.0                            | 2.3                       | 0.83 x 0.95 x 20                                 | 0.761 | 0.48 |

## PCJ-CNL DRIPPERS TECHNICAL DATA

| Model | flow rate (l/h) vs. pressure (bar) |      |      |      |
|-------|------------------------------------|------|------|------|
|       | 0.5                                | 1.0  | 1.5  | 2.0  |
| 1.6   | 1.20                               | 1.66 | 2.00 | 2.32 |
| 2.3   | 1.65                               | 2.30 | 2.79 | 3.21 |

### ARROW dripper facet

ARROW DRIPPERS

| Dripper model                               | Nominal flow (l/h) | Catalog number | Quantity (units) | Dimensions (cm x cm x cm) | Weight (kg) |
|---------------------------------------------|--------------------|----------------|------------------|---------------------------|-------------|
| ① Arrow dripper, angle , short              | 2.3                | 22000-009000   | 3000             | 57 x 28 x 27              | 5.7         |
| ② Arrow dripper, angle , long               | 2.3                | 22000-001300   | 1250             | 57 x 28 x 27              | 4.0         |
| ③ Arrow dripper, straight , long + splitter | 2.3                | 22000-001100   | 4000             | 57 x 28 x 27              | 10.4        |
| ④ Arrow dripper, straight , long            | 2.3                | 22000-001000   | 4000             | 57 x 28 x 27              | 9.8         |
| ⑤ Arrow dripper, straight + plug            | 2.3                | 22000-001200   | 8500             | 57 x 28 x 27              | 5.3         |
| ⑥ Arrow dripper, short*                     | 1.6                | 22000-001250   | 2000             | 57 x 28 x 27              | 5.7         |
