**TRAILCO IRRIGATION (AUST.)**  
**A.B.N. 35 480 117 190**  
**STANDARD TERMS OF TRADE**

These following Terms of Trade shall apply to and form part of any contract for the supply of goods or services by Trailco Irrigation (Aust) ("Trailco") to another party ("the customer") including any contract arising from oral acceptance of repeat or further orders from the customer for goods or services the same or similar to those to which this contract applies, and shall terminate, cancel and supercede any previous written or oral agreements and understandings (if any) entered into between Trailco and the customer. These Terms of Trade replace any previous Terms of Trade and may be changed only by writing executed by Trailco's management and the customer.

**1. OFFERS AND ACCEPTANCE**

No quotation given by Trailco shall constitute an offer. An order placed by a customer pursuant to any such quotation is not binding on Trailco unless and until accepted in writing by Trailco.

**2. PURCHASE ORDERS**

When ordering, an official order ("the following order") is to be submitted to Trailco by the customer showing order number, ABN and full description of the goods and services.

**3. PRICES**

The prices charged will be those prices charged in Brisbane at the date of delivery.

**4. PERFORMANCE**

Trailco reserves the right to improve the goods and thereby change the design or specifications thereof without notice to the customer and without incurring any liability to the customer.

**5. INDEMNITY**

Without prejudice to any other rights Trailco may have, the customer shall indemnify Trailco for any loss, damage or expense incurred by Trailco should the customer breach any term of this contract or cancel any order or part thereof after acceptance by Trailco.

**6. DELIVERY**

6.1 Delivery to the customer shall be deemed to be effected when the goods are loaded on the delivery vehicle at Trailco's store.

6.2 Goods supplied by Trailco to the customer shall be at the customer's risk immediately upon delivery to the customer, or into the customer's custody (whichever is the sooner), and the customer shall thereafter insure the goods, at its own expense, against such risks as it thinks appropriate.

6.3 The customer shall be responsible for all costs arising out of or incidental to the delivery of goods to the customer, including freight costs.

6.4 Trailco shall not be liable for any loss or damage (including consequential loss or damage) arising from delay in delivery and/or installation of goods ordered or failure to deliver and/or install the goods as a result of any cause or contingency whatsoever and the customer shall accept and pay for the goods and/or installation notwithstanding the delay or late delivery. Trailco will effect delivery and/or installation as soon as practicable after such causes or contingencies cease to affect delivery and/or the installation.

6.5 The customer shall be responsible for and indemnify Trailco for loss or damage to the goods from time of delivery until paid for in full.

6.6 Where delivery or performance of the goods or services is effected by way of part deliveries or performance, Trailco shall be entitled to invoice the customer for pro rata progress payments in respect thereof.

6.7 Deliveries to third parties may be arranged at the request of the customer subject to acceptance by Trailco. Goods delivered to third parties pursuant to this sub-clause shall be deemed to be delivered to the customer.

**7. ADDITIONAL CHARGES**

Trailco reserves the right to charge the customer for any costs, charges or expenses whatsoever that Trailco may incur on behalf of the customer including, without limiting the generality of the foregoing any costs, charges or expenses incurred as a result of:-

- (a) vehicle or wagon detention (to the extent the same is not caused or contributed to by Trailco);
- (b) demurrage on ships in consequence of any act or omission of the customer; or
- (c) any special requirements or stipulations of the customer agreed to by Trailco but not provided for in the contract.

**8. STORAGE**

If Trailco notifies the customer that the goods are ready for delivery and the customer requests Trailco to hold the goods on its behalf or refuses to accept delivery, such goods will be held by Trailco at the customer's risk and Trailco shall be entitled to charge a reasonable storage fee in respect of the goods.

**9. RETENTION OF TITLE**

9.1 Property in the goods will not pass to the customer until payment by the customer of all monies owing by the customer to Trailco in relation to the supply of goods. Until such time, the customer shall hold the goods as bailee of Trailco.

9.2 Where property in the goods has not passed to the customer, Trailco has the right to enter the premises of the customer, and re-take possession of the goods, and re-sell the goods, notwithstanding the occurrence of the following events:

- (a) if a receiver or a receiver and manager of the customer is appointed;
- (b) if an official manager of the customer is appointed;
- (c) if winding up proceedings are commenced against the customer;
- (d) if, being a natural person, the customer commits an act of bankruptcy, or becomes insolvent or bankrupt.

9.3 The customer shall have the right to sell the goods in the ordinary course of business, as agent for Trailco, and shall have a fiduciary obligation to account to Trailco in relation to the goods, and for the proceeds of any on-sale.

9.4 Until the goods are sold by the customer, the customer shall store the goods separately from its own goods, and in such a manner as to show clearly that they are and remain the property of Trailco.

9.5 Upon sale of the goods, or any part thereof by the customer, the customer shall keep the proceeds of such sale in a separate account on behalf of Trailco and shall apply such proceeds only to the payment of the purchase price to Trailco.
